

QUILTING WITH YOUR WALKING FOOT Supply List

Tools to bring:

SEWING MACHINE don't forget cords, foot pedal, and manual

WALKING FOOT that fits your machine

BASIC SEWING TOOLS including a seam ripper, small scissors

THREADS you plan to quilt with I like King Tut

Marking pencils, chalk, or whatever you plan to mark with
Ruler for marking straight lines

We will be practicing our quilting on a prepared quilt sandwich.

For this you will need a backing fabric, batting, and fabric for a top.

If you use solid fabric, like muslin or light-colored solid fabric, you will better be able to see your marking and stitching.

I suggest: the backing be about 42" x 42"

Batting about 40" x 40" (I like Quilters Dream batting)

Solid fabric for the top about 36" x 36"

To save a little time in class, you can assemble your quilt sandwich at home
And bring a pin-basted quilt ready to start marking and quilting

If you don't have time or are unsure of the how to pin baste bring the prepared fabrics (cut to size and pressed) and batting

You may also bring a small pieced quilt top or basted quilt you would like to share or get some quilting idea for.

If you have any questions, send me an email
I'm looking forward to seeing you in class.
